Overdraft \$219 93

This over draft is occassioned by a large amount of extra work, including blowing out rocks, preparing the way for the tractor and snow plow. In viewing the plows used in towns where this work had not been done in advance, it was noticeable that these plows

were badly battered. It seemed wise to continue the work to a certain extent even though we used a small amount of unwarranted funds, or in excess of the appropriations.

SUPERINTENDENT'S REPORT

To the School Board of Effingham:

I herewith submit my second annual report, it being the ninth in the series of such reports.

For the year ending June 30, 1927, our schools showed an average attendance of 76 and an average membership of 80. The percent of attendance was 95. This last is encouraging as it was 93 one year ago. If every pupil would attend as faithfully as the majority do, we could make 97. For instance South Effingham and Center Effingham each had 97.

Four schools are open:

Gladys Leavitt at Center Effingham has 26 pupils.

Esther Lambert at Effingham Falls has 17 pupils.

Ruth Snow at the Mountain School has 12 pupils.

Bertha E. Carter at South Effingham has 15 pupils.

There are five pupils from Parsonsfield, Maine attending the South Effingham School.

Medical Inspection

We are fortunate to have Miss Marjorie Buswell as nurse again this year to make inspection of the schools. Last spring a very successful dental clinic was held where a large number of children were given treatment. The late Dr. Gilman of Pittsfield did splendid service. Work of this kind is a safeguard for the future. I hope this clinic can be repeated next spring.

I would also urge a clinic for giving Toxin Anti-Toxin treatment to pupils. This is a harmless treatment and protects against the much dreaded disease, diphtheria. Adults and pre-school children may also profit by the same treatment. Please consult authori-

ties including your family physician and consider this important matter.

Repairs

By an economical use of funds, school property has been improved this year. Toilets were built at the Mountain School and blackboards installed. Effingham Falls building was painted inside. Book closets were built at Center Effingham and South Effingham. The furniture in all buildings was redressed and better adjusted. This helps to preserve it from defacement and destruction.

For the coming year, I would recommend installing a ventilating heater at Center Effingham and re-shingling the roof on one side. At the Mountain, a book closet should be built and the inside of the building painted. At Effingham Falls the underpinning needs to be reset. All furniture should be redressed. The yard at South Effingham should be graded.

The schools of New Hampshire are moving ahead. Trained teachers are available. The normal schools now offer four-year curricula, training teachers for high school work as well as elementary. The actual number of days of schooling is increasing.

The successful school needs a trained teacher, regular attendance and a full year of unbroken sessions.

Let everyone boost the schools!

Last June we graduated two pupils from the eighth grade—Verna Bodge and Monroe Wilcox. Both went to high school—one to Ossipee and one to Parsonsfield.

From the country schools of today come the leaders of tomorrow.

Respectfully submitted,

F. W. JACKSON

Superintendent.

EFFINGHAM OLD HOME DAY

The town of Effingham successfully carried out its Old Home Day observance on Wednesday, August 24, by a gathering at Lord's Hill. The forenoon was given over to baseball, an enthusiastic game being played between the Effingham and Ossipee teams, which were gotten up by Raymond Ward and John G. Thompson, respectively. Result of the game was 21 to 16 in favor of Effingham.

Picnic dinner, children's sports in charge of Miss Gladys Leavitt and much renewing of old acquaintances, filled in the time till the arrival of Pine Beach Camp Orchestra, which came through the courtesy of Mr. Max Fritz, manager of the camp. Everyone enjoyed the music and after several selections and specialty numbers by different members of the orchestra, prayer was offered by Mr. R. M. Fulton. Following this Hon. Harvey D. Granville, of Kezar Falls, Maine gave a very interesting address in keeping with the ideals and sentiments of the day. Dr. J. M. Leavitt made appropriate remarks.

During the day and evening Lord's Hill Ladies' Aid held their annual sale of aprons and fancy articles.

Hussey's Orchestra of five pieces, furnished music for a dance in the evening which was well attended. A pleasing feature of the evening was fancy dancing by a young lady summer resident of South Effingham.

Next year, 1928, marks the 150th anniversary of the incorporation of the town and plans are being made for a special celebration of the event.
